Number of trees requested: _____

Type of tree(s): 1st choice _____

2nd choice _____

Sketch of intended planting area:

The Corte Madera Beautification Committee's Street Tree Program provides a description of the trees approved by the Town and will deliver up to three trees to any one home, two support poles per tree, and instructions for planting. Actual planting is the responsibility of the property owner.

By accepting these trees, I agree that I will be responsible for planting, watering, and caring for them so that they will grow and be an attractive addition to the neighborhood.
